**AS LONG AS IT IS SUSTAINABLE, WE BELIEVE THAT
CREATING VALUE IS MUCH MORE POWERFUL.**

By joining our 30 years of experience with our innovative and visionary point of view that draws its strength from technology; We contribute to the national economy by globally trading with numerous fields from cosmetics to logistics, tourism, and hotel management to the food industry.

HASA Global, taking its capital power from its own entrepreneurship spirit, determined sustainable growth, quality, and stability as the ground of business development strategies with an innovative perspective by investing in markets with having high growth potential.

As being HASA Global, we produce sustainable value by increasing our market share thanks to strategical business collaborations with international groups that we set up in wide geography that we operate our activities in Istanbul, Ankara, and Izmir at Turkey and abroad in America, Korea, and Kyrgyzstan.

We continue to grow and show the value of Turkey on national and international platforms by believing in the power of our values.

MISSION

Our entrepreneurship culture that is formed the building blocks of our corporate identity, with the right manpower, our investment expertise, and capital power; To become one of the world's leading reliable companies sensitive to nature and humanity by establishing competitive businesses operating on an international platform.

VISION

By establishing strong strategical partnerships with predictable investments in the fields with having high growth potential, we aim to become a company that produces innovative products, quality services and produces sustainable values on an international scale.

All dogs deserve to be **AWARDED** every day.

Here at AWARDOG, we care as much about your Pup as you do. Therefore we created Awardog Treats that sourced from a local farm by using only grass-fed beef. Our 100% Natural Premium Dog treats will not only keep your Pup healthy but also provide them a happy lifestyle. We promise that every single package of Awardog Treats will be carefully hand-inspected to ensure your Pup is having the best award that has ever been wished for.

AWARDOG™
Premium Dog Treats

Bully Sticks

Bully Sticks

These 100% all-beef premium 6" Bully Stick treats are an ideal alternative to rawhide. Not only are they 100% digestible – they're also protein-rich, made from grass-fed cattle, with no added hormones or antibiotics. They're processed in a USDA Human Grade Certified and Inspected facility. Pups of all breeds and ages can enjoy a full-of-flavor treat that's safe and nutritious!

These treats come from free-range cattle raised with NO antibiotics or added hormones. So, your dog is guaranteed a treat that's delicious and healthy
